Wiane

I've seldom known a speaker that's caused such a lot of appreciation - as your talk on Monday did. Aside from the many comments after your presentation, I've received a number of calls. 'Great program!' 'Just exactly what I need' they've said. I'm certain you can count on this group to spread the word and use gentle transitions themselves.

Thanks again, Wiane. I'm so glad I found you. Warmly
Susan
