GET A FRESH PERSPECTIVE ON right sizing YOUR HOME

There's a real sense of freedom when you "lighten your load." This special event will provide you with practical tips to simplify your life, which can ease the burden you may be feeling about moving or selling your home.

Discover how to streamline your belongings, maximize your move and minimize the work so you can focus on the activities and people you enjoy most.

Diane Bjorkman from Gentle Transitions will explain where and when to start. Learn how to tackle the task of moving a lifetime.

When you're ready, we're here to help make moving easier and less stressful.
